## Client Relationship Summary (Form CRS/Form ADV Part 3) – October 2021

### Item 1.      **Introduction**

Wefea Capital LLC (“Wefea”) is registered with the U.S. Securities and Exchange Commission (“SEC”) as an investment adviser. Clients and prospective clients should be aware that services and fees differ between investment advisers and broker-dealers and it is important for retail investors to understand the differences. Free tools are available to research advisory firms at investor.gov/CRS, which also provides educational materials about broker-dealers, investment advisers and investing.

### Item 2.      **Relationships and Services**

What investment services and advice can you provide me?

**Services:** SLR67 offers portfolio management and advisory services focused towards your financial goals. We have an array of 15 portfolio strategies based upon investment terms and risk profile. Our services are offered primarily through our Internet Robo advisor (“Financial Advisor”) and the account you maintain with our broker-dealer. SLR67 does not have custody or take possession of your assets. SLR67 works with you to examine your current financial situation and financial goals, to understand your risk tolerance and investment time horizon and to develop your overall investment strategy. As part of your overall strategy, you (or SLR67) may utilize one or more strategies with respect to a portion of the assets at your Financial Institution.

SLR offers its services on a “discretionary” basis. In a discretionary account (typically referred to as a separately managed account), at the outset of the contractual relationship, SLR67 is granted the authority by you to determine the securities or other assets to purchase or sell in the account. This discretion will remain in effect unless revoked by you or SLR67. SLR67 will monitor your separately managed account and will purchase and sell securities and other assets in the account consistent with the investment strategy or strategies selected by you (or SLR67 on your behalf) as part of your overall investment plan.

**Requirements to open and maintain an account:** SLR67 generally requires discretionary separately managed accounts to have a minimum account value of \$500.

Additional Information: Additional information on relationships, fees and services can be found in the SLR67 Form ADV, Part 2A (items 4-7) which is available on our website at [https://slr67.net/FormADV\\_06\\_29\\_2020.pdf](https://slr67.net/FormADV_06_29_2020.pdf).

Conversation Starter - Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?

### Item 3.      **Fees, Costs, Conflicts and Standard of Conduct**

#### **What fees will I pay?**

**Principal Fees and Costs:** SLR67 fees on discretionary accounts are based on 1% percentage of value of the assets in your separately managed account for which we are providing services, and the specific percentage amount is based upon the investment strategy selected and the amount of assets in your separately managed account. A general fee schedule for discretionary investment management services is included in the SLR67 Form ADV 2A (Item 5). The actual percentage amount you pay may be lower than that shown on the schedule. SLR67 retains full authority to negotiate the fees it charges for discretionary advisory services. SLR67 fees are generally payable quarterly in advance, but certain accounts may be billed in arrears.

Our fees are exclusive of brokerage commissions, wrap program fees, transaction fees, custodial fees, deferred sales charges, exchange fees, SEC fees, transfer taxes, wire transfer, electronic fund fees, and other related costs and expenses which are incurred by the client from custodians, brokers, third-party advisor and other third parties.

**Additional Information:** You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. Additional information can be found in the Wefea Capital LLC Form ADV, Part 2A (Items 5-6) which is available on our website.

Conversation Starter - Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

## Conflicts and Standard of Conduct

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When SLR67 acts as your investment adviser, we are required to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. For example, for those discretionary accounts for which we also have discretion to select broker-dealers to execute transactions, Form ADV, Part 2A (Item 12 – Brokerage Practices (Research and Other Soft Dollar/Commission Sharing Benefits) describes the conflict of interest we have with respect to broker-dealers that provide us research and brokerage services. You should understand and ask us about these conflicts because they can affect the investment advice, we provide you. Wefea has adopted a Code of Ethics describing its standards of business conduct, potential conflicts of interest and fiduciary duties.

Conversation Starter - How might your conflicts of interest affect me, and how will you address them?

**Additional information:** Additional information on conflicts of interest can be found in our Form ADV, Part 2A (Items 7,8,10,11 and 12).

### Item 4.      **Disciplinary History**

Do you or your financial professionals have legal or disciplinary history?

Wefea has not been subject to any disciplinary events by regulators nor is it a party to any legal events that are material to client evaluation of our advisory business. You can visit [Investor.gov/CRS](http://Investor.gov/CRS) for free and simple search tools to research us and our financial professionals.

Conversation Starter - As a financial professional, do you have any disciplinary history? For what type of conduct?
